THE EASY WAY TO LEARN GREEK

Hey, Andrew! Teach Me Some Greek!
introduces easier learners to the exciting study of
biblical Greek.

What is it?

Hey, Andrew! Teach Me Some Greek! teaches biblical Greek to preschoolers and older students (even adults enjoy it) using a combination of deductive, inductive, and interactive methodology presented in a workbook format. These easy-to-use workbooks require no prior knowledge of Greek.

What will we learn?

Upon completing this series, you will have an understanding of koiné (biblical) Greek. This understanding will be demonstrated in reading comprehension and writing skills. In addition, you will have the tools to pursue your own study in the Greek New Testament and can combat incorrect theology based on faulty exegesis. An expanding Greek vocabulary extends your English vocabulary through an understanding of roots. Finally, the grammatical structure you will learn will better prepare you to study other foreign languages. You will benefit from the Greek roots in those languages as well.

The Reader

With catchy rhymes, four-year old Andrew teaches his readers the twenty-four letters of the Greek alphabet, followed by a short Bible verse.

Copyright © 1995 by Karen Mohs

MEMORY VERSE:

Esther 1:5

"When these days were over, The king gave a banquet, lasting seven days, in the enclosed garden of the king's palace, for all the people from the least to the greatest, who were in the citadel of Susa."

Why do some Bibles say the king's name was Xerxes and some say Ahasuerus?

Ahasuerus is the original Hebrew name of the king. Xerxes is the Greek name used by the historians.

Where would Xerxes's kingdom be today?

It stretched from today's Pakistan in the East to modern day Greece in the West, from southern Russia in the North to Saudi Arabia in the South. In area it was more than 600,000 square miles.

THURSDAY

- Pray. Ask God to help you in studying His word.
 Read or recite the memory verse.

- What did Xerxes give at the end of these days? (Esther 1:5)

How big was Xerxes's palace?

It covered 300 acres. That is ten times the size of the pentagon!

Is Xerxes mentioned anywhere else in the Bible?

According to Ezra 4:6, Xerxes was a king during the rebuilding of the temple at Jerusalem. Daniel 9:1 tells us that Darius, the Persian king during Daniel's time, was the son of Xerxes.

What does this mean:

"The drinking was done according to the law?"

Usually, the king made the guests promise to drink a certain amount. Here, they could drink however much (or little) they desired.

FRIDAY

- Pray. Ask God to help you in studying His word.
 Read or recite the memory verse.

- How was the king's garden decorated? (Esther 1:6)

SATURDAY

- Pray. Ask God to help you in studying His word.
 Read or recite the memory verse.

- What did Queen Vashti do during this time? (Esther 1:9)

Whom did she invite? Where was it held? (Esther 1:9)

THINK AND PRAY ABOUT IT

King Xerxes was very proud of his possessions. He wanted all people to see how rich he was. This showed that things were very important in his life.

Do our treasures, the things we own, make us better than our friends?

Jesus told of the "pearl of great price." (Matthew 13:46) He told us to seek it at all costs. But that "pearl" has nothing to do with material riches. It is the kingdom of heaven.

What are you seeking? Worldly possessions like Xerxes? Or Jesus' "pearl of great price"?

Additional Information

What is the difference between the two types of answer keys?

The “Full Text” answer key is a duplication of the workbook with the answers filled in. It contains a brief proposal for scheduling the lessons as well as some English derivatives of the words taught in Level 2 and above. The “Answers Only” answer key is a smaller booklet listing the answers that belong on each page. Beginning with Level 3, the “Full Text” key gives **The Big Picture - You Are Here** grammatical overview charts, **Teacher Tips**, and references for further study.

What Others Are Saying ...

"The kids love doing their Greek lessons. I think it's their favorite subject! I like the way the lessons are done and how clearly the material is explained. Early childhood is the best and easiest time to learn a language, and your materials recognize that by being the 'kid-friendly.'" -- *St. Charles, MO*

"My son loves your products. I have to tell him to put the books away and get going with the rest of his school work!" -- *Mansfield, MA*

"Thank you very much for such a comprehensive course in Greek! My family and I thoroughly enjoyed studying Greek with your easy to use and clearly written assignments. Congratulations on a job very well done!" -- *Quebec, Canada*

"Your Latin program is excellent. Our 7 year old is on book 3 and he is doing very well. We plan to continue to the end of the series before switching to another text...Certainly it is a sign of a well designed course when the student can progress on his own, even when his teachers (i.e. parents) do not know the subject matter."
-- *Harvard, MA*

"Excellent. Great way to start learning Greek. Builds upon itself very well. Being a student of Greek, I found the text excellent. Great job!!" -- *Bennettsville, SC*

"I do want you to know how happy I am with your Greek materials. I have a Master's Degree in German linguistics and am thrilled at the grasp my 10 year old studying Level Three Greek has on the grammar. The 8 year old on Level Two is also going along nicely. So many language courses have hiccoughs where the pace suddenly speeds up. *Hey Andrew* never leaves any gaps; it is very thorough and leaves the kids feeling confident with their new knowledge. God bless you with this work and with your family." -- *Australia*

"My 7 year old daughter just started level 2 Latin. It is her favorite 'freetime' pasttime!" -- *Hardin, MT*

"My kids absolutely love this curriculum. I literally have to set a limit on how much time they can spend on this or they would not do the rest of their school work. Our son can't wait to get his new books because I told him he could go ahead and start on his Greek when it gets here. Thank you for putting together such a user friendly program for young children!" -- *Lynchburg, VA*

"The Ruth study was excellent. One of the best 'no frills' focus on the Bible itself devotional studies, rather than the usual crossword and games distractions that make the Bible a sideline to the 'real' fun." -- *Australia*

"Thank you soooooo much for putting together these simple, fun, easy to learn Greek books! I have been taking Greek out of various books for about two years and never enjoyed it so much, or learned so quickly, as I have using your books! Thank you Thank you Thank you! Keep up the good work!! God Bless you!!!"
-- *El Dorado Hills, CA*

"We love doing Latin and Greek. You have done a great job with this curriculum!" -- *Kingsport, TN*
